Meeting Spaces

In our location just 5 minutes walk from the Utrecht Central Station, we feature 19 meeting rooms. Each one of them has its unique theme thought to make your guests feel ready for the topic of your meeting. Explore them, choose the one that best fits your purpose and run your meeting in the perfect environment.

Platform 1 (lounge 13)

Platform 1 is the first stop on your journey. Get in this spacious room in the middle of our lounge where entrepreneurs and freelancers are always working, inspiration and the dynamic vibe will not be missed here. Set the room as you wish. You let us know and we will take care of the rest!

Extra Options

A meeting is not only made by its room or people. We also offer extra options for your meeting to go smoothly as food and beverage, beamers and more. Once you get in the room, everything will be arranged for you, so you can focus on what really matters.

Snacks: Borrelhapjes - Warm

Een selectie van 3 verschillende warme hapjes voor bij de borrel. Bijvoorbeeld: kipsaté, spaanse gehakt balletjes, quiche of falafel.

Dranken - Koffie, thee en water onbeperkt

Koffie kunt u zelf halen uit de vers gemalen bonenkoffieautomaten in onze koffiecorners. Onze thee is van The London Thea Company en vindt u in de meetingspaces in 8 smaken. Bij deze koffie en thee kunt u genieten van lekkere roomboterkoekjes van de Koekjesbakkerij en heerlijke Tiny Tony chocolaatjes.
